BUY-SELLPHARMACY WIDENS FOCUS WITH NEW ASSOCIATE

Tony De Nicola, President of Buy-sellpharmacy.com, today announced the expansion of the company's activities into the world of long term care, infusion and specialty pharmacy. This new focus for the company, whose previous activities were primarily centered in the arena of traditional retail community pharmacies, will be managed and supported by Arnie Cammeyer, BS (PHARM) FASCP, an industry pioneer in the world of long term care pharmacy and an active participant in specialty and infusion pharmacy.

"All the associates on the Buy-Sell team are enthusiastic about the new opportunities that will open up for us with a man like Arnie assisting us in applying and providing our proven evaluation, appraisal and M & A skills to these other sectors of pharmacy providing, " said Tony De Nicola, President of Buy-Sell. "Arnie's activities and positive reputation in these arenas are well documented and recognized by many. I couldn't be more pleased that he has elected to participate with us in expanding the scope of Buy-Sell."

Arnie is a charter member of the American Society of Consultant Pharmacists (ASCP), has served the society for more than thirty years and was twice elected its treasurer, a position he held for twelve consecutive years (1974-1986) and then again from 1996-1999. He has served as President and Chairman of the Board of that organization and has played an instrumental role in many of ASCP's activities and achievements. Arnie was honored by ASCP as the first recipient of the Richard S. Berman Service Award. He also organized the New York chapter of ASCP. He is a member of numerous other pharmacy and healthcare trade associations and remains an active participant in all of them.

Arnie has maintained a visible and active position in the world of long term care, infusion and specialty pharmacy, attending meetings, seminars and conventions of the various trade groups and other organizations that have emerged to serve this growing community of pharmacists and pharmacy owners. His network of contacts among owners of long term care and specialty pharmacies coupled with his relationships throughout the industry will enable Arnie to assist those of Buy-Sell's clients who wish to acquire or divest themselves of specialty pharmacy businesses.

"I look forward to working with the Buy-Sell team in this new phase of my lengthy career in pharmacy. Many of my friends and colleagues, owners of successful long term care and specialty pharmacies, have reached the stage in life where they need to address exit strategy planning. My long personal relationship with Tony De Nicola and my recent interaction with him and other members of the Buy-Sell team have convinced me that working with them will enable me to provide the highest quality advice and services in this sensitive and confidential aspect of business planning," said Cammeyer. "Knowing from personal

experience how important it is to plan your exit carefully, in order to maximize shareholder value from all perspectives, I couldn't be more pleased about the opportunity to participate in Buy-Sell's business activities."

Buy-Sellapharmacy.com, founded in the year 2000, functions as an evaluator, appraisers and advisor to the world of independent community pharmacy buyers and sellers. Utilizing 21st Century technology tools and sophisticated financial modeling capabilities, we help buyers and sellers enter into a fair and equitable transaction, one which will withstand the test of time and provide each party to a transaction with what they expected. For the seller, a fair price and a qualified buyer. For the buyer, an economic outcome that will provide him or her with a reasonable return on invested capital, the ability to service any debt incurred and the ability to earn a salary commensurate with the managerial responsibilities and risks involved in owning one's own business.
